

Our mission is to give back to the Phoenix metropolitan community through charitable projects and endeavors for organizations focused on the needs of children and families. If your organization is in need of construction assistance, please e-mail this completed form **by January 19, 2022 to elange@azbuilders.org.**

To qualify for the ABA's Community Service Project, you must meet the following qualifications:

- Organization must be a 501c3
- If a permit is required for the work, this **must** be secured prior to submission of application. If you do not know if a permit is required, please contact Erica Lange.**
- Project must be located within the Phoenix metropolitan area.
- Estimated value of project should be \$10,000 - \$100,000.
- Ideal projects include varying scopes of work from at least 3-4 trades, including: painting, flooring repairs, drywall, electrical, HVAC, masonry work, mechanical work, renovations, roofing repairs, ceiling repairs. Other types of activities will be considered, but should be minimal.
- Construction activities are typically planned April – November, but will accommodate organization's schedule during these months.
- **Please attach your organization's most recent consolidated balance sheet.**
